A screenshot of the SendGrid login page. The Twilio SendGrid logo is at the top. Below it are two input fields: 'Username' with the value 'mukilsneha12@gmail.com' and 'Password' with masked characters. A 'Forgot your password?' link is next to the password field. A blue 'Log In' button is below the fields. At the bottom, there is a link to 'Log in with single sign-on (SSO) instead' and a link to 'Sign up now!' for new users.

A screenshot of the SendGrid dashboard. The left sidebar shows a navigation menu with items like 'Dashboard', 'Email API', 'Marketing', 'Design Library', 'Stats', 'Activity', 'Suppressions', 'Settings', and 'Twilio SMS'. The main content area has a 'Welcome, Mukil!' message and a section titled 'Send your first emails with Twilio SendGrid'. This section includes a 'Create a sender identity' step, which explains that a sender identity is the 'from' email address. It offers two ways to create one: 'Create a Single Sender' (highlighted with a blue button) or 'Authenticate a domain instead'. Below this is a 'Send your first email' section with a note to create a sender identity first. The dashboard also shows a 'REPUTATION' bar at 100% and a 'VIEW ACCOUNT USAGE' link.
